Collecting Information

Information from the source (copy/paste)	My Paraphrased NOTES
Cleopatra's family had ruled Egypt for 300 years	cleopatra and her family ruled Egypt for about 300 years!!

Information from the source (copy/paste)	My Paraphrased NOTES
as her brother grew older he began to want more power. Eventually he forced Cleopatra from the palace and took over as Pharaoh.	Cleopatra's younger brother, Ptolemy XIII, forced Cleopatra from the palace and took over.

Information from the source (copy/paste)	My Paraphrased NOTES
After fleeing to Egypt, Marc Antony returned to the battlefield hoping to recover and defeat Octavian. He soon realized that he was going to be captured by Octavian. Upon hearing the false news that Cleopatra had died, Antony killed himself. When Cleopatra heard that Antony was dead, she became very sad. While the cause of her death is still a mystery, some historians believe she killed herself by taking poison.
