

The Warriors Running Club wants to celebrate and encourage the balance between athletic and academic success. We recognize that excelling in sports often requires a strong commitment to education, and we believe that both areas should be equally valued. By honoring our athletes who shine both on the field and in the classroom, we hope to promote the idea that achieving greatness involves dedication and hard work in all aspects of life. These awards are meant to inspire everyone in our club to strive for excellence not just in their sports, but in their academic pursuits as well. Athletes who maintain a 3.5 GPA or higher this season will receive special recognition at our end of season banquet.
