

Dear Parent or Guardian:

We are so excited that your student has decided to join the DECA club. With that being said, we wanted to outline a couple of the financial expectations and important dates so that everyone is on the same page.

1. Registration cost for the club is \$75. After your student has filled out the virtual form which is open from September 12th through the 19th they must go to the bookstore between September 22nd through the 26th to turn in the following:

- a. Check for \$75 made out to Deerfield High School
- b. Hard copy of this form signed by a parent or guardian.
- c. The attached permission form for the Area Conference at Rosemont.

Please note, if they do not meet **both** deadlines, we cannot accept their membership.

2. January 16th is our Area Conference which will be from 6 am to approximately 3 pm. (No cost and open to the whole club)

3. March 5th-7th is our State Conference in Rosemont, IL. Students will leave after school on Thursday and return Saturday afternoon. (\$350 and must qualify)

4. April 24th - 29th is our International Conference in Atlanta, GA. (\$1100 and must qualify)

Please feel free to email with any questions.

Sincerely,

Mr. Lukens, Mrs. Larson, and Mr. Navickas

I have read the following document,
