

HONORS CRITERIA FOR 2020-21 SCHOOL YEAR

This information applies to our current 5th, 6th and 7th-grade students only:

Middle school students will have to meet 3 out of the 4 honors class requirements stated below to be eligible for honors classes for the following school year. These requirements are for current honors students and those aspiring to join honors classes as well.

During the 2019-20 school year...

- A score of 90% or higher on the placement exam to be given in May
- An Iowa Assessment score in the 75 percentile or higher for the desired subject
- An average of 90% or higher for each semester in the desired subject
- A 90% average during Quarter 3 in the desired subject

Note: Eligibility does not guarantee placement as the honors classes are capped at 25 students.

Additional criteria used when more than 25 students are eligible:

- Teacher feedback and recommendation
- Student behavior

Current Honors Classes Available:

6th grade: Math and English

7th grade: Math, English, and Science

8th grade: Math, English, Science, and History
