

**Before submitting the doctoral thesis for evaluation, it is necessary to attach a completed table of papers published during the PhD research**

Doctoral thesis title

*if necessary, add rows to the table*

|                                                                                                                                                                                                     | Number of papers | Citation (according to <a href="http://www.ICMJE.org">www.ICMJE.org</a> ) | requested    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|---------------------------------------------------------------------------|--------------|
| Scientific papers resulting from PhD research on which the candidate is the <b>first author</b> (indexed in the <b>WOS SCIE</b> database or in <b>another international database</b> (e.g. ESCI))   |                  | <i>cite according to ICMJE.org</i>                                        | <b>min 1</b> |
| Scientific papers written <u>during PhD research</u> indexed in <b>WoS SCIE</b> where the candidate is an <b>author or co-author</b> and their quartile according to Journal Citation Reports (JCR) |                  | <i>cite according to ICMJE.org</i>                                        | <b>min 1</b> |
| Presenting author at an international or domestic conference or a scientific gathering of results from doctoral research                                                                            |                  | <i>authors, title of the paper, congress</i>                              | <b>min 1</b> |

**together with:**

- list of all papers in i) WoS Science Citation Index Expanded (WoS SCIE) with quartile according to Journal Citation Reports (JCR); ii) other databases (WoS ESCI, Scopus, etc.) and a visible indication that the paper(s) resulted from the PhD research
- papers in pdf format
- proof of the poster/oral presentation at the conference
- A validated certificate from an authorized library on the indexing of the journal and citation
