

Open Science Practices Adherence Form¹

1. Funding sources

- ✓ Was this work funded by funding agencies or other sources of resources?
- ✓ If yes, specify the agency and the process/grant number:

2. Preprints

- ✓ Is the manuscript a preprint?
- ✓ If yes, on which servers is it stored?

3. Conflicts of interest

- ✓ Are there any possible conflicts of interest of a financial, personal, or professional nature in the process of preparing and publishing the manuscript?

4. Individual contribution of each author (only for articles with multiple authorship)

Specify the individual contribution of each author according to the following criteria: (1) Conception of the article; (2) Research of data and/or documents; (3) Analysis of data and/or documents; (4) Discussion of results; (5) Writing and/or revision of the text. Present only the names numbers corresponding next to the names of all authors, as shown in the example below:

- ✓ Name of the first author: 1, 2 and 4
- ✓ Name of the second author: 2, 3 and 5

¹ This document was inspired by the Form on Compliance with Open Science of the Collection Scielo Brazil.

5. Availability of research data

Are the contents contained in the article – data, materials, and codes – already fully available and without restrictions, or will they be at the time of publication?

Mark in bold the item that applies:

- ✓ The contents used in the research are available in the manuscript.
- ✓ The contents used in the research can be made available upon request to the authors.
- ✓ The contents used in the research cannot be made publicly available. Justify:

6. Use of Artificial Intelligence (AI)

- ✓ Were Artificial Intelligence (AI) tools used in the process of preparing and writing the article?
- ✓ If yes, which tools were used? Mark in bold the items that apply:
 - ✓ Grammar/spelling revision of the text
 - ✓ Translation of excerpts and/or the entire text
 - ✓ Preparation of graphs and/or figures
 - ✓ Search for bibliography, data, and/or documents
 - ✓ Analysis of articles, data, and/or documents
 - ✓ Other uses. Specify:
