Dear 8th Grade Families,

At the end of 8th grade you are asked to make a decision on what to do with your graduating student's remaining lunch balance. The options are as follows:

1. Have the remaining balance transferred to a younger sibling's account.
2. Donate to District 25's [Bernice Gliege Angel Fund](#)*.
3. Request a check to be mailed to your home with the remaining balance.

The Bernice Gliege Angel Fund was created to support children in need in AHSD 25. The Fund provides for field trips, materials, food supplies, lessons, and other needs identified by staff that will benefit the children served in AHSD 25.

In order to choose one of the options listed above, please complete the form linked below **no later than Friday, May 24, 2024**. If you do not fill out the linked form, the remaining balance in your student's account will automatically be donated to the Bernice Gliege Angel Fund at the end of the school year.

Please call our Department of Food & Nutrition Services at (847) 758-4883 with any questions or concerns.
