## WHAT I WON'T DRAW

☆ Complex Backgrounds, Realism, Gore, Hardcore NSFW, Anything Hateful or Discriminatory.

## GENERAL

☆ PLEASE provide as many reference images, or be as descriptive as possible, it helps the commission run smoother overall, and it helps me visualize what you would like better!

☆ Commercial rights need to be purchased, price will be determined based on commission.

☆ If your character design is VERY complex, a fee will be added! However, if you would like to change the outfit or settle for a simpler design, the fee can be avoided.

☆ I may stream the progress on your commission as well as post it afterward. Please let me know if you are making it a surprise, or don't want me to so I can avoid doing so!

☆ I have FULL right to reject any commission request if I feel like I may not be the right fit for you.

☆ I do not accept refunds.

## REVISIONS

☆ Revisions are allowed during all phases of the commission process! You are paying me to make you artwork, I want to ensure that it is done correctly!

## DEADLINES AND DELIVERY

☆ I will take around 7 days to finish your commission, if your deadline is shorter than that, a rush order fee may be added!

There may be things that may push it to take longer (ex: adding an extra character, animation, etc.) if so, I will update you. Please wait at least 48 hours between an update before you ask me for another update.
