

Standards-Based Education  
Priority Standards

# Film Studies Elective

- PS 1 **Film Language:** Students will learn to read and interpret a visual text by developing a film vocabulary, identifying editing techniques, and analyzing film elements within selected scenes. (Standard 1)
- PS 2 **Viewers' Response and Aesthetic Valuing:** Students understand that a film is a work of art. Students describe, interpret, and analyze a film's visual design. They respond to and make informed judgments about the film, deriving personal meaning from the work. They express their viewpoints through oral and/or written presentations. (Standard 4)
