

Sample Board Example

Interior fabric, not colour

Sample fabric for floor, cut short, red colour

Rim design for exterior

Door style, similar to french doors

J seating if only one door is being used, the bench could flip up if two doors are needed.

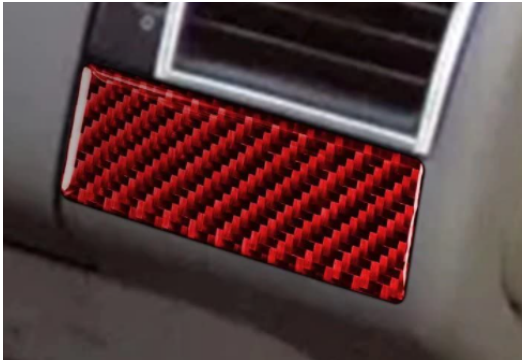

Flat back exterior colour

Seat texture not colour

Carbon fiber accents

Possible carbon fiber accent colour

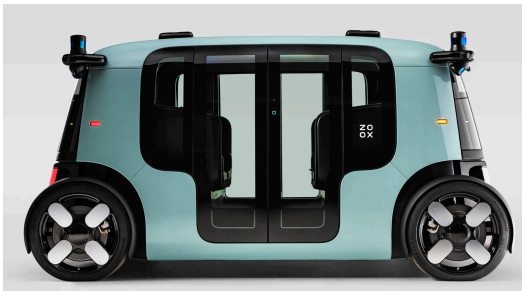

doors

Possible over all shape, wouldn't work with bus

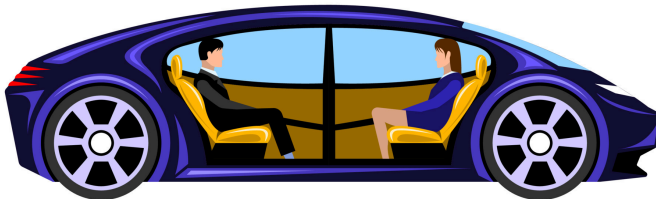

could utilize different door designs

Preferred overall shape, easy to get into and out,

and out

Possible overall design style, center access, easy in

light feel and height

Possible overall design with a more car

Bucket seating vs bench
