Special Ed and Senate Bill 241—

Problems decreased spec ed allotment to .5

Bill passed for retention if not reading at benchmark by 3rd grade

Have a .5 allotment for licensed teacher/ looking at using as an interventionist

Discussion around tiered instruction

Can community council make a statement of need/support for special education?

Vote and motion carried for letter from parent participants on community council to district and board regarding concerns about allocation of special ed

Safe Walking routes are on school web site, a link at bottom, look through (will send out link)

Some concerns about south end drop off-

Vote and motion carried to close off south end park and drop off as a fire line Fire marshal, 3 years ago/painted sidewalk- may need repaint

Holladay city reached out about concerns about south end safety.

Concerns that north side pick up is more dangerous, may need to review
