

Buy Gift Cards with Raise Right and Earn Money For the Page Band

As far as fundraisers go, Raise Right is one of the fastest and easiest ways you can earn money to support our marching band! Check them out at <http://RaiseRight.com> or through the RaiseRight app.

You purchase a gift card through Raise Right, and they then give back a rebate to the Band Boosters for band expenses. The percent of the rebate varies from 2.5% and up, depending on the retailer. Some rebates have even been as high as 18%. There are always specials running as well, where you can earn bonus rebates from certain retailers.

There are three different kinds of gift cards you can purchase and earn rebates from.

- Raise Right Now eCards – These are electronic gift cards that you can receive and use within minutes of ordering. If you are ordering something online (Amazon, Domino's Pizza, Papa John's Pizza, etc.), you can purchase and use an eCard as you are making your purchase. You can also actually be in a store or restaurant and order an eCard from your smartphone to cover the actual cost of your purchase. When you go to pay, show your eCard on your phone, and the cashier will key in the gift card number and pin number directly from your phone. It's the same as using a gift card. You can even order eCards from your computer and print out paper copies to use in stores, or even email them as gifts. It may add a few minutes of time to placing your order but can pay off big time when you start accumulating all those rebates!
- Physical Gift Cards – These are your typical plastic gift cards. Orders for physical gift cards are placed as needed, no more than twice a month. Physical gift cards are shipped to the Band Booster Treasurer, and then you would need to coordinate for pickup of the physical gift cards. Depending on when the order is placed and how soon you can coordinate pickup, the process can take two or more weeks to receive your cards.
- Reloadable Gift Cards – These are also physical gift cards, but you can reload money on them through the Raise Right website or app after you've made your first purchase. There are many gas stations that offer reloadable gift cards through Raise Right – perfect if you want to give your kid a gas card and have some control over what they are spending.

To Sign Up Through the App

Download the Raise Right app through your app store. Then click the button to “Join a Program.” You will need to create an account with Raise Right and link to the Page High School Band Boosters. Our Enrollment Code is: **C65291228216**.

To Sign Up Online

Go to <http://RaiseRight.com>, and click on the Register button at the top of the page. Then click the link to “Join a Raise Right Program.” You will need to create an account with Raise Right and link to the Page High School Band Boosters. Our Enrollment Code is: **C65291228216**.

Paying for Raise Right Gift Cards & Fees

You will pay for gift card orders through an online payment system with either a credit card or bank account. There is a \$0.29 fee for each purchase processed with your bank account, which is automatically deducted when you make the purchase. Any orders placed with a credit card will be charged a 2.6% fee. Please do not choose to pay the coordinator directly.

There are also shipping costs associated with ordering physical gift cards. Physical gift cards ordered through the app can be shipped to your home for \$1.00. (Please only order physical gift cards through the app or the shipping cost becomes much larger.)

Contact the Band Booster Treasurer / Raise Right Coordinator at phsbbtreasurer@gmail.com for more information.
