Mark Suchowski  
Recreation Supervisor

Greetings,

The Whitefish Bay Recreation and Community Education Department is currently seeking sponsors for its Summer Tee Ball and Coaches Pitch seasons. Sponsorship is a great opportunity to show your investment in the community and support programs that improve the quality of life for all our residents and students.

The Whitefish Bay Recreation Department Youth Sports Program philosophy is to provide a safe and fun environment for the youth of our community to learn the proper techniques and skill development of each sport, while promoting the importance of teamwork and fair play. All Youth Sports Programs encourage the participants to win or lose graciously and most importantly have FUN playing the game!

Our Youth Baseball programs are two of our most popular sports leagues aimed at players K4-2nd grade. We fill up fast and have averaged nearly 20 teams over the past few seasons. Depending on the package you choose you can market your business on the back of one full team to nearly 200 players jerseys! Players wear these jerseys outside of games which will increase your company's exposure around the community.

Also depending on the package you choose we will have dedicated space in our brochure highlighting your contribution to the program and thanking you for your support.

The season begins in early June!

Please complete this form and submit along with funds to:
