SAFESPORT POLICY
Wolfpack Pentathlon Club

The SafeSport Code defines the U.S. Center for SafeSport's authority and jurisdiction, prohibited categories of abuse and misconduct, and the Center's process for responding to and resolving abuse and misconduct claims affecting the U.S. Olympic and Paralympic Movement.

The SafeSport Code defines a Local Affiliate Organization (LAO) as follows:

> A regional, state or local club or organization that is directly affiliated with an NGB or that is affiliated with an NGB by its direct affiliation with a regional or state affiliate of said NGB. LAO does not include a regional, state, or local club or organization that is only a member of a National Member Organization of an NGB.

It is not clear whether Wolfpack Pentathlon Club ("the Corporation") is an LAO as it is defined in the SafeSport Code. Nevertheless, it is the policy of the Corporation to comply with the SafeSport Code as it applies to LAOs.

The SafeSport code defines a Participant as follows:

1. Any individual who is seeking to be, currently is, or was at the time of any alleged Code violation:
   a. A member or license holder of an NGB, LAO, or the USOPC;
   b. An employee or board member of an NGB, LAO, or the USOPC;
   c. Within the governance or disciplinary jurisdiction of an NGB, LAO, or the USOPC;
   d. Authorized, approved, or appointed by an NGB, LAO, or the USOPC to have regular contact with or authority over Minor Athletes

All members of the Board shall familiarize themselves with the SafeSport Code.

The President and/or Vice Presidents of the Corporation may track compliance of a Participant with SafeSport training requirements (e.g., using the USA Triathlon portal for Official Clubs). The President and/or Vice President(s) of the Corporation may request a Participant to provide proof of compliance with SafeSport training requirements, such as a certificate issued by the U.S. Center for SafeSport.
