We are an iGaming company with over three years of experience and a team of more than 1300+ specialists.

Our achievements include 8+ major projects that are popular among our clients and successfully operate in Tier 1-3 countries. The company attracts and values highly qualified specialists, which allows us to efficiently build processes and successfully expand our presence in new locations.

We are actively expanding and inviting a **Creative Manager** to join our team, who will come up with promo campaigns, monitor the market and creatives, research trends, and implement new ideas.

What we expect from you:

- At least 6 months of experience in a similar role
- Deep understanding of iGaming traffic and funnel mechanics
- Proven experience working with creatives (ad concepts, funnels, landing pages)
- Strong analytical skills and ability to work with performance metrics and KPIs
- Excellent communication and collaboration skills
- Ability to generate and test new creative approaches
- Proactive mindset and result-oriented approach

Your responsibilities will be:

- Creating high-converting ideas for ad creatives, funnels, and landing pages
- Generating and testing new creative approaches
- Conducting market and competitor research to find fresh insights
- Developing and optimizing content for marketing materials
- Improving and scaling current creative strategies
- Systematically maintaining reports and performance documentation

Why you should join us:

- You will have the chance to influence the product and assemble a team that fits your vision.
- Absence of micromanagement, hierarchy, fast decision-making speed.
- Competitive salary and incentives for your contribution and result.
- Our main working schedule: 10:00 - 19:00 (UTC+2), fully remote plus coworking space payment worldwide.
- The opportunity to participate in the company's internal events: open negotiations and product meetings.
- Attending top conferences around the world.
- Perks such as paid sick leave and vacations, plus additional day off in honor of your birthday.

As a team, we are constantly striving to be the best among our competitors! We offer a dynamic, forward-thinking work environment within a profitable company. We recognize that our specialists and managers are crucial to our success and are always ready to support their initiatives.

Join a fast-growing company where your ideas truly matter. Let’s build something great together. 🚀
