Verify Your Vaccination with SMART Health Cards

We're happy to introduce a way of verifying your vaccination status *before* getting to Gate! You can do this by visiting the [Ticketing and Volunteering Portal](#) and uploading your [SMART Health Card](#) in the new "COVID-19 Safety Requirements" section. The process should take under 5 minutes and will save time verifying your status at Gate. Find the link directly on your Ticketing dashboard:

COVID-19 Safety Requirements:

Firefly's COVID safety policies [can be found here](#).

At registration, you indicated that **you will show proof of vaccination**

Save yourself delays at Gate by [verifying your vaccination status online!](#)

If you don't upload your SMART Health Card: Please bring *physical proof* of vaccination to Gate, either your original card or a photocopy. Using a copy on your phone will complicate & slow down Gate operations, as well as forcing you to unlock your phone and hand it over to the Security team while you sit in your car.

Unvaccinated participants: You must bring a *physical copy* of a negative COVID PCR test taken less than 72 hours prior to your arrival, as well as enough rapid tests for daily testing. This requirement is unchanged. Again, if you only have a copy on your phone, you will need to unlock your phone and hand it over to the Security team while you sit in your car.

Questions? Contact gate@fireflyartscollective.org

Art Transportation Requests

Are you bringing art which you will need help getting up the hill? DPW is happy to assist with Polarises and trailers. Fill out this [Art Transport Request Form](#) to let us know approximately when you would need the pickup, where from (Art Truck, Lower Parking, or Upper Parking) and provide some info about what you need transported.

Questions? Email dpw@fireflyartscollective.org

Stay for Late Crew! (while spoons last)

Do you wish you could stay in the woods for just one more day before you have to rejoin the “real world”? You totally can! Each year **DPW and LNT** make sure the land is as near to “as we found it” as we can get - and *we need all the help we can get from *YOU** to make it so. Please consider volunteering for a Late Crew shift and help us out. Many hands indeed do make light work! Follow the links to sign up for [DPW](#) and [LNT](#).

Questions? Email dpw@fireflyartscollective.org & lnl@fireflyartscollective.org

Art Truck Registration Form

Hey folks,

We didn't include the link to the art truck registration form in that last glowbe submission! Sorry about the confusion!

Here it is:

<https://forms.gle/6odHxLB7NpjU63s2A>

Please try to fill it out asbest you can, and get it back to me by this Sunday, June 19th. If you have questions or special considerations please email me at: artimiss@fireflyartscollective.org

Thank you!

Artimiss (Thia)

Accessibility Transportation Requests

If you have trouble getting around and are worrying about how to get your things up the hill, Accessibility would like to help you out. Fill out this [Accessibility Transportation Request Form](#) to let us know approximately when you would need the pickup and where from (Lower Parking/Greeters, or Upper Parking).

Please Note:

- Accessibility Transport is intended only for individuals who request a ride and their personal camping gear. *The core will not be assisting with transport of theme camp infrastructure or art.*
- Accessibility will operate during daylight hours only - there is no driving in the woods after dark, so plan your arrival accordingly.

Questions? Email accessibility@fireflyartscollective.org

Just the Tip. by WendyWTF

Wet wipes - well bless yr shiny little hiney for being cleaned oh so gently. You notice how wet wipes sit in liquid in their package, yet never disintegrate? They continue not to disintegrate in sewer systems. They screw up the works in the portapotties, too. Pack them out with you & trash them elsewhere. WendyWTF can provide you with a pre-labeled "ShitBag" if you are in a pinch.

Open Stage is YOUR PLACE to perform, engage, entertain, inform

Wooo Hooo! Firefly has an Open Stage available for your events. Anyone can reserve it for whatever talents or participatory fun you want to share! Sign up now.

We would love to see your...Live Music; Dance; Circus; Spoken Word & Poetry; Fashion Shows; Films & Animations; Strange Contests of various ilk – Bacon Eating, Beard & Mustache, Wet Tutu etc; Contact Improv Jam, Dad Jokes Showcase, Vogue Battle...WHATEVER your imagination needs to express!

SIGN UP HERE:

<https://www.fireflyartscollective.org/participate/art-at-firefly/open-stage/>

NOTE: Stage Dimensions 16' across the front edge, 12' across the back edge, 12' deep.

Stage open hours:

Wed 1pm–11pm

Thur–Fri 10am–11pm

Sat–Sun* 10am–8pm (burn nights)

* late night slots on Fri/Sat after the burns available by request

One Hour time slots are allocated by signup here on a First come/first served basis. More than one slot can be used (together or on multiple days). We will contact you if there are any scheduling issues.

Firefly Open Stage is improved every year to make performances easier than before. Spread the word on what we've got!

- * Prominent location, visible from the big path.
- * Stage and audience are protected from weather.
- * Equipment includes a full sound system, assorted mics, lighting and power access for your equipment. More details on the Schedule page.
- * Stage is not staffed, but support will be available if needed onsite.
