

2026 Point-in-Time (PIT) Count: Regional PIT Coordinators

Last Update: December 2025

The 2026 Point-in-Time (PIT) Sheltered Count is scheduled for Tuesday, January 27, 2026. The 2026 PIT Count is a sheltered and unsheltered count. Therefore, the Balance of State CoC must count all individuals and families residing in Emergency Shelter and Transitional Housing programs as well as individuals and families who are living in places not meant for habitation. This includes those living in hotels and motels paid for by charitable organizations or by federal, state, or local government programs.

If you are a provider or are interested in supporting the 2026 PIT, please contact your Regional PIT Coordinator.
