How do we increase GRASL member numbers?	Lanham, Pritchett, Stratton	-There isn't much money in our GRASL account. Will we need to increase our dues to where they used to be? Instead of \$10 before Jan. 1 and \$15 after →we switch to \$15 before Jan. 1 and \$20 after. -Should we offer an incentive to get others to join? We can have a gift card drawing. For each person that pays their dues by a specific date. Names get entered again for each referral member joining as well. -Could Regional dues be paid the same time as State dues?
