Provide Greater Access to STEM Education to All Students

Steawin F.

**Tutor
San Antonio Math Include**

Part of the Class of 2026 at BASIS Shavano, Steawin has a passion for studying anything that interests him, from biochem to machine learning. He is an active member, curriculum coordinator, and tutor for the nonprofits CrunchMath and LearnToBe, in addition to SaMi, and is currently completing courses curated by IBM to become certified in data science and AI development. In his free time, he codes, reads books, and learns Italian.
