

## **EEN PRAYER LIST FOR THE CARE OF CREATION**

*Thank you for praying for creation care ministries in the US and around the world!  
Feel free to add creation care requests to this document. God bless you.*

### **PRAYER LIST**

- For those suffering from the impacts of environmental injustice, may we continue to find ways to support, uplift, and seek justice for them – *Jaime Butler, EEN staff*
- That God would continue to raise up and mobilize Christians to speak up to defend God's creation. – *Kim Anderson, EEN staff*
- That God grace us with unity instead of division, hope instead of fear, love instead of hate, understanding instead of ignorance, and be the light that guides and shines brightest in the darkest of times. – *Carolyn Heckman, EEN staff*
- For my students to deeply love our Creator God as they learn how to obey His calling as stewards of creation. – *Beth M.*
- A Rocha USA, specifically our work in Central Texas (land restoration, connecting minorities with nature). – *Veronica G.*
- Please pray for the ministry "Plant With Purpose." – *Jerry S.*
- Pray for a good transition to green energy. – *Fred C.*
- Praising God for the biodiversity in his creation! – *Mike A.*
- That all Christians and other believers in God will recognize our God-appointed role and responsibility as stewards of creation. – *Stuart C.*
- That our congregation will become more thoughtful in our day-to-day living. – *Jenney R.*

- Greater New Orleans Interfaith Climate Coalition - its work with houses of faith regarding earth care. – *Jeannette T.*
- **For young people studying or working to become the scientists, conservationists, advocates, and policymakers of tomorrow – *Lauren Kim, YECA staff***
- A Rocha Lebanon is launching an Eco-Church program that they hope will catalyze churches beyond the borders to reach churches throughout the Middle East. – *Brittany M.*
- *A Rocha* Kenya's relationship w/ herders who bring livestock into the Dakatcha reserve, degrading the ecosystem & inducing violence against locals incl. *A Rocha* staff. – *Brittany M.*
- Water prosperity of Pakistan. – *Yousaf R.*
- To create a network in Bangalore, India, for the environment. – *Sietl I.*
- Vineyard Columbus (Ohio) Church Creation Care - may we continue to expand within our church and community. – *Jack J.*
- That we choose to live simply with all of God's creation. – *Lyton N.*
- Loss of biodiversity and species of life. – *Carol D.*
- Stability for food pantry; more churches to join w/ us; book study to be successful. – *Betsy P.*
- I work for a faith-based environmental non-profit and I want to work more with Evangelicals in my area, The Chicago suburbs. – *Dan H.*
- Restoring native plant communities, the framework for ecosystems on land and in marine environments. – *Janice K.*
- **Thanksgiving and Celebration for farmers and ranchers, representing less than 2% of the US population, who assume the risks of a noble calling to each annually feed 166 people nationally and internationally. – *Tim Olsen, EEN staff***
- Pray for church renewal, a refocusing on Jesus as Lord, and that the Holy Spirit would restore the church creation care witness. – *Kara B.*

- **For those recovering from extreme wildfires, floods, and severe weather across the US and around the world. – *Dean Van Farowe, EEN Staff***
- For people working in extreme heat. – *Scharmell R.*
- Please pray for the Lord's guidance in regards to speaking publicly about how Christians should respond to the climate. – *Ruth R.*
- **For public servants who care for our country's national parks, public lands, and forests even as they navigate changes, challenges, and uncertainties. – *Lindsay Garcia, EEN staff***
- Prayer for Bartley Christian Church and A Rocha Singapore. – *Swee K.*
- Pray for the environmental small group that we are leading at our church. – *Cathy and Chris S.*
- I am hoping to have conversations at my church - maybe a panel discussion in the Central Valley of California. – *Natalie L.*
- For each human to respect nature, use water sparingly, and walk humbly with God. – *Joan J.*
- Prayers for creation care efforts in the Democratic Republic of the Congo. – *Kahwa N.*
- Please pray for federal environmental, agricultural, and social services workers. – *Jerry L.*
- Praising God for trees, their intrinsic value and their beauty in all four seasons. – *Suresh P.*
- Please pray for human-made climate change. – *Vijithamby S.*
- Prayers for those impacted by climate change in the Democratic Republic of the Congo. – *Marcellin I.*
- The Garden Project at Hillbrook Detention Center, Syracuse, NY; The Three Sisters Garden Project at Merriman Circle, Auburn, NY. – *Judy H.*
- Thanking God for the protection of Cudell Commons Park in Cleveland, OH from development, and helping us to halt a proposed adjacent gas station. – *Jamie B.*

- That houses of worship will be called to install and promote clean energy and energy efficiency projects. – *Greg T.*
- Praising God for all our national, state, and local parks! – *Vonda VF*
- For strength and courage for all those faithfully speaking out for God's creation and the people impacted by the Federal funding cuts, and that funds are released quickly. That leaders in power act justly and with mercy and if they don't that we elect leaders who will. (*Kara B.*)
- Prayer for a forest that is on its way to conservation in Bridgeport, CT -- that will keep the project on course -- for unity between company and community -- and that greed and money won't be the cause for turning away from conservation. *Jhoni A.*
- For all those affected by the recent flood (May 2025) in North Central Nigeria, that killed more than 150 people and displaced thousands, destroying homes and properties. (John A)
- For my Creation Care action in Nigeria, for God's Grace and wisdom for effective communication. (John A)
