MAS free online Workshops 2024

Dear Colleagues,

As you may recall MAS has been offering a series of free workshops over the past six months, funded by the federal government through United Way. They've been a great success and people have really enjoyed re-connecting with colleagues from around our sector.

We are capping off the program with a final round of on-line (vs. all the others which have been in-person) workshops. Please let us know via email (info@masadvise.org) the workshop that you are interested in and we will send you the zoom invite etc.

See you in virtual space!

June 6, 1 to 3 p.m., ***Strategies for Effective Volunteer Engagement***, with Paddy Bowen

June 13, 1 to 3 p.m., ***Organizational Sustainability***, with Brian Traquair

June 20, 10 to 12, ***Marketing and Communications in a Diverse Age***, with Mercedes Blackwood

June 27, 6 to 8 p.m. ***Review and Renew Board Governance Basics***, with Paddy Bowen

And please don't forget... Management Advisory Service is here to help your organization with free consulting provided by our amazing Volunteer Consultants in areas such as governance, strategic planning, understanding, applying and managing technology, human resources, marketing and communications. We also provide presentations in all the same areas as well as focused on fundraising. Paddy and Nina are also available to answer (or find the answer to!) any 'quick question' or issue you may be grappling with.

Management Advisory Service - 30 years of helping charities and not-for-profit organizations do more, for more people.
