Privacy Policy

[AI tools] respects and protects the privacy of its users. This Privacy Policy describes how we collect, use, and handle your information when you use our app.

Information Collection and Use

- Personal Information: We may collect certain personally identifiable information, such as [list types of data, e.g., name, email address, etc.], only if you voluntarily provide it to us. This information is used solely to [purpose, e.g., personalize your experience, respond to inquiries, etc.] and is not shared with third parties without your consent.
- Non-Personal Information: We may also collect non-personal information, such as [list examples, e.g., device information, usage statistics, etc.], which is used to improve our app and services. This information is collected in a way that does not personally identify you.

Data Security

We take reasonable measures to maintain the security of your personal information and protect it from unauthorized access, use, or disclosure. However, please be aware that no method of transmission over the internet or electronic storage is completely secure and we cannot guarantee absolute security.

Third-Party Services

Our app may contain links to third-party websites or services. Please note that we are not responsible for the privacy practices of such third parties. We encourage you to review the privacy policies of these websites or services before providing any personal information.

Changes to This Privacy Policy

We reserve the right to update or change our Privacy Policy at any time. Any changes will be effective immediately upon posting the updated Privacy Policy in the app. Your continued use of the app after any changes constitute your acceptance of the new Privacy Policy.
