

Grade 3A ~ April News

Dear Parents,

Happy Easter! The class enjoyed spending Holy Week together last week and focusing on preparing for Easter with Stations of the Cross and the Grade 5 Passion play on Holy Thursday. I hope your Easter celebrations were a wonderful time to be with family.

Big Ideas from the curriculum this month:

Christian Education: focus on the joy of being an Easter people and an understanding of the Paschal mystery

Math: continue practicing multiplication and division facts and develop an understanding of fractions

Theme: finish our study of Landforms with an overview of erosion, then we will do a mini unit of Thermal Energy and finally begin our unit on Biodiversity

English Language Arts: a novel study using Magic Tree House series and writing comic strips to further understanding of conversation in a story.

Aldergrove Zoo ~ Field trip moved to April 30!

Our field trip was moved to April 30 due to Track events happening at school. We appreciate all parents who wish to drive and supervise a small group during the day, we are limited with parking passes so are requesting that all drivers can take a minimum of 3 students.

Please click on the field trip permission link below to provide permission for your child:
