Music Appreciation 1 was one of the first groups set up in 2010 when Wetherby U3A was founded.

We meet monthly to enjoy and then discuss a wide range of music from Baroque and Classical through to modern, shows, jazz and 20th and 21st century popular music. The sessions are based around musical performances largely compiled from Youtube to give an audio visual experience.

Accompanying notes are also produced about the composer, music or the performance to aid discussion.

Being a house based group, numbers are restricted by space to around 8-10 people and although we are full at present the waiting list is empty.
