

Additional News & Important Dates

Rixstine Recognition has a long history of being an NAE4-HYDP Conference Sponsor and working with State 4-H offices and associations to create customized pins that showcase each state's unique 4-H identity. The company has assisted several states, including Nevada, Wyoming, Wisconsin, Idaho, Tennessee, and Michigan, among others.

State 4-H Associations interested in creating a new pin or reordering an existing design should act now. Rixstine's average turnaround time is approximately four weeks after art approval, and all orders and/or quote requests should be submitted by the end of August to help ensure pins are ready in time for the conference.

NAE4-HYDP members are encouraged to share this information with the appropriate contacts in their state offices and/or state associations as soon as possible.

Do not miss this opportunity to have your state represented in the NAE4-HYDP Conference Pin Exchange. A custom state pin is a lasting way to showcase 4-H pride and build connections with colleagues from across the nation.

For questions or assistance with designing or reordering your state pin, please contact:
