Calls open for Supervising Council 23/24

Roles and Responsibilities of the Supervisory Council:

- **Guidance and Support:** Provide guidance, support, and advice to the Executive Board, National Cabinet, and other PADS officials on various matters, including assisting in navigating challenges.
- **Monthly Meetings:** Conduct regular meetings with the Executive Board, either online or in person, to discuss important matters, receive updates on ongoing work, and ensure effective communication.
- **No Additional Positions:** Hold no other official positions within the organisation to maintain impartiality and focus on their supervisory role.
- **Constitutional Oversight:** Assess the conduct of Executive Board members in cases of potential constitutional violations or inadequate performance. This assessment follows an investigation conducted by the existing Executive Board and may lead to decisions reached during an emergency General Assembly session.
- **Capacity Building:** Organise and facilitate regular capacity building sessions to enhance the skills and knowledge of the national cabinet members on a monthly basis. Additionally, conduct bi-monthly sessions for the broader membership to promote continuous learning and growth within the organisation.
- **Financial Review:** Conduct a comprehensive review of budget proposals for major events to ensure responsible financial planning and resource allocation.
- **Collaboration Approval:** Grant approval and provide signatures for new and renewed long-term collaborations, memoranda of understanding (MOUs), or contracts with other organizations or companies.

Pakistan Association of Dental Students, founded in 2019, is a student led, nonprofit organization and a full country member of International Association of Dental Students - IADS.
