College scholarship checks are due tomorrow - how do we make this happen. Students lost emails through the district. Getting checks from Jamie to get those out.

Make sure to order checks early. It is tough getting them.

Financial reconciliation needs to occur. Triana, Sara, and possibly Lucy or Ayla can help with this.

Spirit night was discussed. Handels on 8/20/24 from 6-8? It is the same night as the thespian meeting, so we will urge students to go over after the meeting. Kisha is going to finalize the plans.

Chipotle, Chick Fil A, Awesome Times, Cheesecake factory, Handels

LISD budgets have been cut, so theatre has a smaller budget now. We may want to consider bigger fundraisers.

Look into the possibility of a check drive. Sara will ask about fundraising rules.

Morgan asked that all 3 theatre directors be cc'd on any email (and reply all) in correspondence regarding booster club business. This is a new fine arts policy. Subject line needs to be clear.

Take a look at the district booster page to get important information regarding policies.

Also make sure we are all aware of the high school theatre booster page.
