Since my life can get a little busy and hectic, there is no guaranteed estimate on how long each commission will take. But I can promise that every new commission is treated with high priority and time to make sure each piece carries consistent quality. Rushing myself will only result in poor outcomes. My "to do list" will always be located on the front page of my Furaffinity account to confirm that your commission is accepted and will not be forgotten.

If anything happens in my personal life that delays my work, you will be DM'd updates to let you know what's going on.

NOTICE/TERMS OF SERVICE: I have the right to refuse service if the commission makes me uncomfortable. Feel free to ask if you're not sure if I'm okay with your ideas. When you commission an NSFW piece you confirm that you are 18 or older.
