

Hello from Mrs. Emanuel

Hi there everyone! I am Mrs. Emanuel! I am the Activities Director and the ASB leadership Teacher! I started at Aptos High School 9 years ago as a US History Teacher. FUN FACT: My Master Teacher was Ms. Pughe! This is my THIRD year as the Activities Director and ASB/ Leadership teacher and I love it! Distance Learning was a challenge of course, but the students and I created and invented new and innovative ways to stay connected. It has been very exciting getting back to school and getting to know my students in person again.

I love long walks on the beach with my husband, reading historical science fiction romance novels, playing on the trampoline with my super cute daughters and traveling to far away lands! I have been to over 14 countries around the world!

ASB's Purpose:

We are here to support and serve all students and staff of the Aptos High Community. We want to help provide a safe, brave and positive learning space. We educate ourselves to be better leaders so that we can empower AHS students to lead along with us.
