This law prohibits student use of cell phones and personal electronic devices from the start of the school day until the final bell—including during lunch and class transitions. This change comes from the Arkansas Legislature and will be implemented statewide.

Thank you for helping us create a focused and distraction-free learning environment for all Badgers.

TRANSPORTATION FYIs and FAQs

Any student driver who does not have a parking tag, you need to go see Mr. Grant in the CT Building (CT220) during Advisory ASAP! Do not park in random spots; they probably belong to someone else. Car drop off for high school students is behind the CT building, **NOT** behind the Main Building. If you are being dropped off at school, make sure you are having your ride drop you off behind the CT.

***You have the power to make today
great. Go be excellent!***
