

4090 真心俯拜

當聲音停頓
When the music fades
鼓瑟都放下
all is strip away
真心終流露
and I simply come

只單單渴想
Longing just to bring
給恩主禮物
something that of worth
可討好祢心
that will bless your heart

我不想僅僅唱歌
I bring you more than a song
歌曲總有限
for a song in itself
怎可輕得祢心
is not what you have required

祢卻會搜索更深
You search much deeper within
從種種際遇
through the way things appear
祢已看透我的心
You're looking into my heart

我決意再從頭
I'm coming back to
真心俯拜
the heart of worship
由祢作主角
And is all about You
由祢作一切主角
its all about You Jesus

我懺悔往時
I'm sorry Lord for
曾諸多枉作
the things I've made it
原來祢是一切
When its all about You
原來祢是一切主角
its all about You Jesus

主高超無限
King of endless worth
不懂怎表白

no one could express
主多麼配得
how much you deserve

縱我歇疲貧乏
Though I'm weak and poor
一生主愛內
all I have is Yours
每一口氣息
every single breathe
