Tyler R.

Tutor
San Antonio Math Include

Tyler is part of the class of 2022 at Basis San Antonio Shavano. He loves to play soccer both inside and outside of school and enjoys reading, gaming, and outdoor family activities. Math, Chemistry, Engineering, and Physics are his favorite subjects. He wishes to pursue a career that hopefully incorporates these fields. In the past, most math and science concepts have come easy to him, that was until he slack off in calculus. However, with the help of his awesome teacher, he achieved a 5 on the AP Calculus AB exam. With this knowledge, he would like to offer his help to those who might also be struggling because he knows firsthand that seeking help can pay off in the end.
