Summary: Post-Canon AU where Izuku is the Number One Hero. La Brava and Himiko have reformed and are Izuku's live-in maids. They quite like the arrangement they've made with their 'employer', where he's allowed to fuck them whenever he wants and they get to experience his glorious, big fat cock as much as they like. It's a threeway match made in heaven, to be sure.

Arriving home, Izuku Midoriya lets out a sigh even as he rolls his shoulders and flexes his muscles, an unconscious habit to keep him nice and loose under any circumstances. Another day of successfully upholding his status as Number One Hero and the Symbol of Hope. Another day of saving as many people as he possibly could.

But... he was only human in the end. While being a Pro Hero was in no way of a simple nine-to-five job, it also wasn't something that one could do twenty-four-seven without any consequences. That was something Izuku had learned from his predecessor.

Stepping in through the door, he's not surprised to see one of his two live-in maids already waiting for him. Formerly known as the villain La Brava, Manami Aiba is still as short stack and a half pint just like she was back when they first met. She's just also wearing a maid uniform now, and boy does she wear it well.

“Welcome home Master Izuku~”

Izuku just nods as she kneels down and helps him remove his shoes and put them away. Then, he watches as she casually reaches up and begins pulling open his pants to pull out his cock. He doesn't bother trying to stop her, after all this is one of her and her fellow maid's main purposes at this point.

It wasn't his idea or anything, to be clear. But when Manami and Himiko had shown up on his doorstep and made the initial offer to be his maids, Izuku figured it was better than them continuing to be criminals or going to prison. In Himiko's case, she needed someone to keep an eye on her. In Manami's case, the loss of Gentle in the Final War had left her in need of someone new to latch onto.

Izuku had always intended it to be a temporary arrangement, but now here they were all these years later and they had THIS sort of relationship. Manami takes him into her mouth without hesitation, bobbing up and down on his cock while staring up at him with her big pink and purple eyes. She sucks and slurps away to her heart's content and Izuku... Izuku reaches out after a moment and grabs hold of his maid's pigtails, thrusting slowly in and out of her mouth as he does so.

Basically, they weren't just his live in maids. As they'd made clear to him over the years, they also considered themselves to be his free use maids. Put bluntly, they wanted him to come to them and them alone for all of his carnal needs. They wanted him to fuck them whenever he wanted to, however he wanted to, for as long as he wanted to.

And they weren't shy about it either. Case in point, Manami meeting him at the door and sucking him off right after removing his shoes for him. Izuku

groans at her technique as she quickly brings him over the edge. He doesn't bother holding back, this 'welcome' blowjob of hers was basically the same thing as her showing him how happy she is that he's home.

Indeed, when she finishes swallowing his load and pulls back, she doesn't even say anything about sucking him off. Instead, rising back to her feet, the half pint of a maid bows at the waist.

"Welcome home, Master. Dinner will be ready within the hour."

Then, she turns on a dime and heads back to the kitchen to make sure of her declaration. Izuku... considers following after her for a moment. Dinner would be late, but he IS still pent up and ready for action right now...

But no. That's why he has two free use maids after all, or so they're so fond of telling him. Huffing in amusement, instead of following the former La Brava to the kitchen, he starts seeking out her counterpart. It's not hard to find Himiko Toga, to be fair. The blonde, also dressed like a maid, is cleaning like she always seems to be when he goes hunting for her.

Izuku finds Himiko flitting around a room... wearing a modified and sluttified version of her and Manami's maid uniforms that exposes her ass and the bejeweled butt plug currently sticking out of it. As she leans up on her tip toes to use her trusty duster on the top of a dresser, she presents quite the inviting picture.

With a lustful growl, Izuku is upon her before Himiko can even know he's there... or rather, he would be if she didn't have such a keen sense of smell. Her surprise as he grabs her by her hips is very clearly feigned as she squeaks and then moans, rubbing her ass back into his crotch.

"Oooh, Master~"

Izuku doesn't bother with words. He just grabs the base of the butt plug and begins to twist and turn it, pushing and pulling as Himiko gasps and quivers in his grasp.

"A-Ah~ Master is such a tease..."

Him a tease? She's the one who's always teasing and provoking him, Izuku can't help thinking. But he's learned better than to rise to Himiko's provocations. There's only one language that the vampire really understands... and that's physical action.

Yanking the butt plug out of her prepared, lubricated asshole, Izuku slams it down on the dresser next to her and then proceeds to replace it with his cock. His massive, throbbing member, still rock hard even after Manami's 'welcome blowjob', slides right up into Himiko's asshole without hesitation.

That's not to say she isn't tight, because she most definitely is. Her anal walls clench down around Izuku's dick like nothing else, squeezing and fluttering away as Himiko moans throatily. She's pushed up onto her tip toes by the penetration, his shaft throbbing as it drives deep into her bowels.

But she's definitely been anticipating him taking her anally. The amount of lube she's used on herself before plugging her anus up in preparation for this encounter means that the tight passage is also incredibly slick. In no time at all, Izuku is buried to the hilt inside of Himiko's ass, his entire cock disappeared up her tiny tight backdoor.

Himiko isn't a half pint like Manami, but there's still a pretty big size difference between her and him. These days, Izuku is closer in appearance

to his predecessor, while Himiko is... well, Himiko. Even as an adult, she's still pretty slim and slender.

As such, when Izuku wraps his arms around her and pulls back, standing up to his full height, Himiko's feet entirely leave the ground and all the maid can do is squeak and moan and cry out as he holds her up against his chest and fucks her from below. Her feet and legs curl and bounce along with the rest of her dangling body as he impales her ass with his cock again and again.

Izuku loses track of just how many times he makes Himiko cum, but one thing is for sure... they make quite the mess together in the process. Her pussy juices wind up all over the front of the dresser that she'd been dusting before he started fucking her.

By the time Izuku finally cums inside of Himiko's ass, there's a lot to be cleaned up so he takes some mercy on the blonde and once he's finished filling her bowels, he immediately inserts her plug back between her ass cheeks to keep any of his thick load from exploding out onto the floor.

Whipping Himiko around, he proceeds to give her a deep, tongue-filled kiss... and allows her to bite his lip and drink just a few drops of his blood so that she can enhance herself a bit with some of his powers to make the following cleanup easier.

She moans into his mouth as he does so, until finally Izuku lets her go and tucks his cock away, leaving her to it as she watches him with a heaving chest and lidded eyes.

... Yeah, this all might not have been his idea, but he certainly didn't mind it one bit...

“La Brava wants you to knock her up Master~”

“W-Whoa! What are you saying Himiko?! I told you that in confidence! I-eeep!”

“Hee-hee~”

Izuku stares at his two maids, amusement mixing with exasperation as he just slowly shakes his head. Dinner had been delicious as always, of course. Both Himiko and Manami were pretty good cooks, but Manami in particular was on another level.

Now though, the three of them had retired to the living room where they were watching TV and his maids were both pampering him like usual. Izuku’s head is in Manami’s lap, her fingers carding through his hair while his feet are being massaged by Himiko.

Of course, in the midst of all that, Himiko had gone ahead and blown up poor Manami’s spot from the sound of things. And now the short stack is covering her face with her hands in mortification, no doubt realizing that she’s effectively confirmed Himiko’s accusation with her words.

Chuckling, Izuku reaches up and gently pries Manami’s hands away from her face, curling his fingers over her fingers as he looks up into her eyes.

“Is that right, Manami? Do you want to be a mother?”

Blushing profusely, Manami squirms for a moment, clearly embarrassed as all hell. But in the end, after shooting a dirty look in Himiko’s direction... she hesitantly nods.

“I... y-yes. I thought maybe... if you were okay with it... I could c-carry your child...”

Too cute. She’s just too cute. With a grin, Izuku makes his decision. Is he ready to be a father? Maybe, maybe not. But is anyone ever really ready? Grunting, Izuku suddenly moves and before either of his maids know it, he’s out of their hands and instead looming over Manami.

The half pint of a woman squeaks as she finds herself on the couch under him, staring up at him with wide eyes even as he hikes up her maid skirt and pulls down her panties. Audibly gulping, Manami brings her legs together for a moment so he can tug her panties off her feet. Then, she spreads them wide open, letting him see her puffy pink pussy lips.

Himiko makes herself useful by quickly crawling over and extracting his cock from its confines, cooing all the while as she giggles.

“Oooh, this is gonna be so fun~ let’s get you nice and bred, La Brava!”

Manami whimpers, covering her face with her hands again.

“Himiko... p-please don’t talk like that...”

But Himiko is already guiding his cock up to Manami’s sopping wet pussy lips and as soon as she’s lined them both up, Izuku wastes no time in thrusting in. A loud, lewd squeal leaves the short stack’s lips, followed by a wanton moan as she shudders under Izuku.

For his part, he just grabs hold of her ankles and lifts her legs high into the air, all but folding her small frame in half in the process. Then, he starts to

mating press her right then and there on the couch, pounding down from above and filling her cunt again and again with his cock.

PLAP! PLAP! PLAP!

The sound of flesh slapping against flesh quickly fills the living room as Izuku takes one of his maids to pound town. It's something he's done with both of them a thousand times before, of course, but never for the purposes of procreation. Izuku has always been careful to avoid cumming inside of their pussies, which is probably half the reason he fucks them in the ass so much.

But this time, he's holding nothing back. Manami has made her desires quite clear and with Himiko egging him on from the side, Izuku is going full tilt.

"Oh yeah Master, fuck her harder! Give her your big fat cock! Listen to her squealing for you~"

Indeed, Manami moans and squeals and creams herself all over his member in equal measure. Eyes rolling around in her head, tongue lolling out of her mouth, it's clear she's having the time of her life. Izuku is enjoying himself too, in part because of how good he's clearly making her feel.

Until finally, with one last grunt, he proceeds to cum deep inside of Manami, filling her womb with his seed. He doesn't know if one load will be enough to get her pregnant though, so even as she's recovering from the creampie, Izuku pulls out and promptly pulls Himiko's mouth down onto his cock.

The blonde giggles around his member and quickly lashes him clean with her tongue, swiping and swirling it this way and that. More importantly, she

sucks hard and dutifully to keep Izuku nice and erect. When he's confident he's ready for round two, he pulls Himiko off of his dick... and flips Manami onto all fours.

He's inside of the short stack again a moment later, this time fucking her doggystyle from behind, which allows Himiko to flop onto her back, grab hold of her fellow maid's pigtails and grind her face into her pussy.

Not that Manami seems to mind if the wanton moaning Himiko soon has coming out of her mouth is any indication. Indeed, both of his maids seem to be having the time of their life as Izuku makes sure to impregnate Manami by fucking and cumming inside of her again and again.

The night is young after all. Plenty of time to get the job done.
