San Antonio Math Include

Provide Greater Access to STEM Education to All Students

David Z.

Tutor
San Antonio Math Include

David is part of the Reagan Class of 2028. David is a part of the varsity swimming team at his school. He likes to code random projects and 3d print toys if he has free time. He has been coding since he was 10 years old. David enjoys competitive strategy games, like Pokémon TCG Pocket. David's favorite book series is Dune by Frank Herbert. He hopes to pursue an electrical engineering career.
