SHOW NOTES:

NEWS:

- Correction from last weeks show about MOGA:
 - The Ohio Geocaching Association never had anything to do with Moga. The group that backed out was the Columbus area geocacher group.

EMAIL:

- Mike Thesenvitz - Days of Our Lives update
 - I thought everyone would want to know, Tripp and Wendy were found yesterday. They were dead but both were revived and should recover.
-

SB:

- What is a muggle?
 - A muggle is **a non-geocaching person who happens to be around when a cacher is after a cache**. You don't want muggles seeing you retrieve a cache mainly because they might be curious and go over to check it out. Then the cache could be "muggled", meaning someone could carry it off or destroy it.
- Police officer helping me with his bright flashlight
- I've had a muggle scream "wrong tree" to me in a passing car
- My brother in law walked up to a cache I've DNFed before

SK:

- Michigan near the beach someone asked what we were doing. When we told him, he started helping us look, thinking there was money in it.

CC:

- A couple necking under a bridge. That I needed to find the cache. I stood a bit away for about 10mins then approached them to tell what's up. They asked if they could help out, and I said sure. We found the cache in no time flat, I signed the log and left them to their makeout session under the bridge.
- Going for an FTF. It was a cache hidden in the Ivy by the edge of bridge. Guy was sitting right below GZ. I looked to the left, looked to the right, then he asked

what I was looking for. I told him about geocaching, and then he found the Green Bison hanging in the Ivy.

- Plenty of letting people know I wanted to look for a cache on a bench they were sitting on where they helped look.

Discussed During The Show:

1. Canuck1867 - sheriff points out where the cache is, 2 police cars come up later and get the cache for her, they knew who she was from the other sheriff
2. Sky leaf - stuck on a logging road and got bailed out by logging truckers
3. ScorpioRed - “epic’er” car rolled down hill and was helped by a muggle
4. Tyrone Shoelaces - 10 icon day achieved with a muggle driving him around after his car dies
5. Benj59 - couple on a bench helps him find his cache
6. SeeMyShell - takes advantage of his badge and finds the cache unassisted with the help of muggles blocking
