ICEbreakers FIU Graphic Designer Application

Please fill out our application form here!

About us

ICEbreakers FIU is a student-led coalition mobilizing students, faculty, and community members to end FIU's 287(g) partnership with ICE. We are looking for a graphic designer to help our Communications team create content for social media. This position is unpaid, as we are a student organization.

Responsibilities

- Design graphics for social media, flyers promoting ICEbreakers for protests, meetings, and events, and stickers/merch.
- Produce rapid-response content when needed.
- Support creative projects from other teams within ICEbreakers.
- Attend weekly virtual Communications Team meetings.

Preferred Skills

- Experienced Canva designer. Familiarity with Adobe Suite and Procreate are preferred but not necessary.
- Ability to work on both planned content and quick-turnaround designs.
- Interest in social justice, immigrant rights, mutual aid, or student organizing.
- Collaborative, communicative, open to feedback, and willing to experiment.

If you have any questions or concerns, please send us an email at icebreakersfiu@gmail.com.
