

XeniaModel Terms and Conditions

Rates:

Please note that I only take bookings for paid work.

My rates are from £45/hr, the minimum booking is 2hrs. Please note that the rates could change depending on the assignment.

I will only be able to calculate a payment quote once the duration, location, styling, and mood board (preferred) have been discussed. For efficiency in communication, ***I advise putting all of these details in your original message***, please.

****Please note:** I do not work with full-frontal nudity or open leg. I want to create images that show me in graceful form and WILL NOT SHOOT any styles of SEXUAL NATURE. Please recognise that I will reject the offer of shooting nude or topless if we have never worked together before. Thank you for your understanding.*

Travel:

I am based in Sheffield and can travel to any shoot location either by public transport or driving, whichever is most convenient and cost-effective. I will provide a separate quote for travel expenses once the location has been agreed upon and require that these costs be reimbursed in full. Please note that I will only agree to a minimum 3 hour booking where travel time is more than 1 hour from Sheffield.

Deposit and cancellations:

I am taking a £30 deposit and all bookings are only confirmed upon its receipt. In terms of cancellations, I do understand that life happens and sometimes we have to put family and friends first and these are the times you may need to cancel the shoot. However, because of the previous cancellations I, unfortunately, feel that it is necessary to apply additional charges for late cancellations to cover my own business. In most cases, it is impossible to get a last-minute replacement booking and as I have already made sure that my day is totally free for our arranged shoot and I am not doing any other work. Therefore, I request 50% of the total booking when cancellations happen within a week before the shoot and 75% when cancellation is made in less than 48hr before the start of the shoot. Cancellations in the morning of the day of the shoot - 100% of the total booking. Rearranging a shoot to another date less than a week before the shoot is no longer an option, please book in and pay a new deposit.
