DIALOGUE 1 https://www.eslfast.com/easydialogs/ec/entertainment13.htm A: Let's go to a movie. B: I'd rather not. A: Why not? B: You know I don't like crowds. A: Let's go to an early movie. B: Okay, that won't be very crowded. A: What would you like to see? B: Oh, I don't care. You're the one who wants to go out. A: Well, I want to see "The Pursuit of Happyness." B: What have you heard about it? A: It's based on a true story about a divorced man and his young son. B: Well, I hope it has a happy ending.	A: Anem a una pel·lícula. B: Prefereixo que no. A: Per què no? B: Saps que no m'agraden les multituds. A: Anem a una pel·lícula a primera hora. B: D'acord, no hi haurà molta gent. A: Què t'agradaria veure? B: Oh, no m'importa. Tu ets el que vol sortir. A: Bé, vull veure "La recerca de la felicitat". B: Què n'heu sentit a parlar? A: Es basa en una història real sobre un home divorciat i el seu fill petit. B: Bé, espero que tingui un final feliç.
DIALOGUE 2 https://drive.google.com/open?id=1G6g1UjOmb4GxwSRLIH-KxCb-LhmEk3Yn A: Did you put the blue bin out on the street? B: Oh, no. I forgot. A: Well, you'd better take it out front. B: What time does the recycle truck come by? A: It usually gets here at noon on Tuesday, which is tomorrow. B: I'll just take it out to the street tomorrow morning. A: Oh, no, you don't. B: What do you mean? A: Every morning you get up late and rush off to work late. B: Do you think I'll forget to do it? A: You'll remember to do it, but you won't have time to do it. B: Okay, I'll take it out front right now.	R: Has tret la paperera blava al carrer? B: Oh, no. M'en he oblidat. R: Bé, és millor que la treguis aquí davant. B: A quina hora arriba el camió de reciclatge? R: Normalment arriba al dimarts al migdia, que és demà. B: La trauré al carrer just demà al matí. R: Oh, no, no ho facis.. B: Què vols dir? R: Cada matí t'aixeques tard i surts corret a la feina tard B: Creus que oblidaré fer-ho? R: Recordaràs fer-ho, però no tindràs temps per fer-ho. B: D'acord, la trauré aquí davant ara mateix.
DIALOGUE 3 https://drive.google.com/open?id=1591SvD5WYUskFogs9XheUCyusJFq15e A: I don't know why I bother to vote. B: Why's that? A: What good does it do? B: You get to put someone in power that you like. A: Only if my candidate wins. B: Well, he can't win unless you and others vote for him. A: But even if my candidate wins, he'll break his promises. B: That's true. They promise anything just so they get elected. A: And when elected, they go their own way. B: They forget who put them in power. A: They forget where they came from. B: Maybe you should run for office.	R: No sé per què em molesto a votar. B: Per què és això? R: Quin bé fa? B: Arribes a posar a algú que t'agrada en el poder. R: Només si guanya el meu candidat. B: Bé, no pot guanyar tret que tu i els altres votin per ell. R: Però encara que guanyi el meu candidat, incomplirà les seves promeses. B: Això és cert. Prometen qualsevol cosa per ser elegits. R: I quan són elegits, van pel seu compte. B: Obliden qui els va posar al poder. R: S'obliden d'on venien. B: Potser hauria de presentar-se al càrrec.
