

Task 1

Making hot buttered toast the proper way

Cut out each line and arrange them into an order that makes sense.

Put clip back on bread bag

Plug in the toaster and switch it on

Take plate and toast away and eat (the toast only!)

Place bread in the toaster

Wait a few minutes for the toast to pop up out of the toaster

Push the lever to lower the toast

Move the knife backwards and forwards in a sweeping motion across the bread to spread it at an even thickness

Find bag of bread

Get butter or margarine

Take the toast out of the machine being careful not to burn your hands

Open bag

Position the tip of the knife on the upwards side of the slice of bread with the butter between the knife and the bread

Put buttered toast on plate

Remove any excess butter from the tip of the knife

Get a slice of bread

Put lid on butter

Put knife on bench

Place the toast on a plate

Get knife

Place 5 grams of butter on the tip of the knife

Put butter and bread away
