

Biking Club - Monday 10th May, 4pm

Please add your child's name, and add your name if you are coming with us by Sunday night. Once we have all names in, I will figure out if I need more adults with me.

Year 0-4 children are welcome on the bike ride, but must have an adult with them.

If your child isn't a confident rider, then please make sure they have an adult with them.
