

SEXY BITCH SHADOWS

OK babe – we have had ENOUGH. This is the line drawn in the sand.
You're over it.
It's time to take your life back.

It's time to release your subconscious fears that you cling to after that toxic relationship. It's time to release those money fears of your card being declined at the gas pump knowing damn well you have cash in the bank. You are not your childhood!

It's time to walk away from the fake smile you paint on, acting "normal" around people when you ACTUALLY want to talk about the laws of the universe and your goals to make a milly \$\$ and how you want to write a book someday. If they don't get it, they don't get it. That is not your problem!

It's time for shadow work.

Sexy Bitch Shadows walks you through my signature shadow release method that ERASES self sabotage. Eliminates your patterns of overcompensating out of fear. And brings your true self to the surface.

Imagine if you could not only talk to your higher self but literally be and think as her, NOW. Because nothing is standing in the way. No excuses, no overthinking.

This is not a far fetched idea.

SBS helps you identify where all this comes from and how to shift it. So you can step into true freedom, elevated finances and overall fulfillment of being a spiritual bad bitch!!! And my favorite perk – becoming unbothered af.

THE DETS–

This is a digital course that you can go through at your leisure, on your own time. No need to make room for calls or get on more zooms. Modules that walk you through the process and guide you through your homework.

We also give you 30 days of journal prompts so you can mix in shadow work on the regular. When I got into shadow work, I did my journal process daily and my income jumped from a \$5k month to an \$18k month immediately. You can't deny that this shit works!

AND I am adding in 3 new shadow guides. One on money, one on relationships and one on health. Each personalized so you can become:

- 👉 magnetic to \$\$ and making bigger career moves
- 👉 an open channel to love (aka what led me to marrying my soulmate!)
- 👉 the embodiment of your healthiest self with EASE

There's a facebook community to connect with the other shadow slaying queens and a Q&A thread in your dashboard for any questions that come up. I am here to support YOU in elevating into well... a sexy bitch. 🙌
