

February 22, 2024

Greetings Wizard Families!

We are excited to announce that we will be traveling to the Fairbanks Museum and Planetarium as part of our Science curriculum on **Monday, March 11th**. While at the museum, we will be visiting the planetarium and students will be learning more about the upcoming total solar eclipse happening right here in Waterbury on April 8th. In addition, students will do a second program, "*Living in a Greenhouse: An Introduction to Climate and Atmosphere*." Both programs align with our 6th-grade science curriculum. Here are the details:

What: Field trip to the Fairbanks Museum and Planetarium, St. Johnsbury, Vermont

When: Monday, March 11, leaving school at 9:00 am and returning to school by 3:00.

Lunch: Students should bring lunch from home or get a bag lunch from school.

Donation: We are requesting a \$10 donation per student to offset the cost of the entry fee and transportation to the museum. If you would like to donate, please send in cash or a check payable to CBMS.

Please reach out to Melinda Anderman with any questions at manderman@huusd.org

We are looking forward to this trip AND the upcoming eclipse!

Melinda & Tiffany

Please cut on the line above and return the bottom portion with your donation.

_____ Here is my \$10.00 donation to support this opportunity for my child.

_____ I am sending in an additional donation for a student in need.

Student name _____
