

Academic Update

Seventh Grade

For the week of: April 19-23

Math Mr. McCain	We will continue in chapter #8 and cover the topics of drawing geometric figures, drawing triangles with conditions, and solve problems using angle relationships. AM test on Friday. (need 5 objectives)
Science Mrs. Farmer	Students will complete online simulations and celebrate Earth Day by watching Kiss the Ground movie.
LA Ms. Farrell-Poncelet	Students will be working on spelling lesson 11 this week. They will be finishing their poetry pieces and will begin researching their chosen poets. Presentations will begin on May 3.
Reading Ms. Farrell-Poncelet	Students will continue to read <i>A Long Walk to Water</i> . They will have short stories and videos that go along with situations the main character and his "lost boys" find themselves in during the novel.
Social Studies Mrs. Dawson	Students will begin the week by completing stations to learn more about the Renaissance. On Wednesday students will take notes and a quiz over section two. To end the week students will learn about the colonization/exploration of European countries, as well as the beginning of the Industrial Revolution in Europe.
Coding Mrs. Farmer	Students will complete an animations Mini Project.
