

Teacher Welcome for 2025-2026

Teacher Name: Alex Billings

Room Number: 1164

Departments: Technology Education

Welcome to the KHS Tech Ed Department. I am Mr. Billings. and I have been teaching for the Kimberly School District since 2018. Prior to teaching here, I taught in Oshkosh, Winneconne and Cudahy before joining KHS this coming school year.

After graduating from Oregon High School I got my degree in Technology Education from the University of Wisconsin - Stout. In 2010 I received my Master's in Educational Administration, however I really enjoy teaching so much that I just don't want to get out of the classroom!

I am thrilled to have been given the opportunity to teach Building Construction 1 as well as Around the House, Electricity and Architectural Design for the school year of 2025-2026.

In my free time I spend time with my family. My lovely wife Kristin is also a teacher so we are afforded the opportunity to have a lot of quality time together with our three kids (13 year old, 11 year old and 6 year old). They definitely keep us on our toes but we wouldn't trade them for anything!
