DISGUISE A TURKEY PROJECT - **Due Friday, November 10th**
Your child has been assigned with a very important job…they must disguise a turkey so that it doesn't get eaten for Thanksgiving dinner! In your student's Kit Binder, you will find the turkey template and it is their job to use any items they can find at home to disguise their turkey. This is a great activity you can do as a family and let your creativity run wild! **All turkeys must be turned on or before Friday, November 10th!** When they are returned, we will complete a writing activity about their turkeys in class. I can't wait to see what you all come up with!

BREAKFAST
If your student eats breakfast at school in the morning, please be sure they are dropped off in enough time where they are ready for class at 7:40! Sending them in at 7:40 with a tray full of food does not give them enough time to eat. We start learning promptly at that time. Thank you for your attention to this matter.
