

SL: Toilet paper trick that will get you more appointments

You might be wondering...

“What does toilet paper even have to do with appointments?”

Just hear me out...

People were LITERALLY fighting for rolls of paper during COVID.

You know why?

Because there was a DEMAND for them.

There were more people than there were rolls.

Now, what if you could create the same effect...

With a **LIMITED LEAD MAGNET?**

That's what I like to call “The Toilet Paper Trick”.

[And that's what I cover in a free guide I made for you.](#)
