

Paragraph Writing

Below you will find a lot of facts that a student has collected. Please write one paragraph using **SOME** of the information given. Note: not all of the facts can be used in one paragraph.

This is for a picture book about dolphins

- They sleep until they need air, then they come up
- They aren't on the endangered species list but some are.
- They can get eaten by a killer whale
- Dolphins sleep with one eye open
- People eat dolphins because they say that they taste good
- They are illegal to eat
- They can get caught easily in tuna fishing boat nets
- They can swim 20 miles in an hour
- They can detect people under water
- Dolphins work all day
- They can locate bombs

Please write one good paragraph using some of the facts from above. Don't forget the structure:

Topic Sentence (Main Idea)
