

These Items Are **Not Covered** Beyond 3 Years or 60,000 kms.

Electrical System: Alternator, voltage regulator, electric window defogger, starter, solenoid, factory installed compact disc, video and DVD players **(\$1800)**, motors, modules **(\$1300)**, on-board computers **(\$1400)**, controllers, amplifiers, speakers, distributors, sensors, pumps, switches, wiring harnesses, relays, power window gears, power antenna, horn, gauges, electronic instrument cluster **(\$1100)**, cigarette lighter, electric door lock solenoids, cruise control transducer, keyless entry, passenger air bag.

Brakes: Master Cylinder **(\$950)**, master cylinder gasket and cap, all hydraulic brake lines, fittings and seals, proportioning valve, parking brake cables, vacuum hoses, hubs, levers, linkages, load sensing valve, vacuum assist booster and valve, wheel cylinders, disc brake calipers and pistons, brake pedal and bushings, front and rear flexible hoses, shields and adapters, rear brake supports,

Anti-Lock Brakes (ABS): Hydraulic Assembly **(\$2,200)**, pump motor assembly, controller, sensors and relays, seals and gaskets for listed components only.

Steering: Gear Housing and all internal parts, power steering gear, shafts and spheres, steering column, bearings and bushings, levers and locks, air bag module **(\$1700)**, linkage and springs, pulley, hoses and tubes, power steering pump, steering column shaft and couplings, intermediate shaft, rack and pinion assembly **(\$1300)**, gaskets and seals for listed components.

Engine Cooling System: Water Pump Pulley, radiator, fan assembly and clutch, fan shroud and fan motor, hoses, lines and tubes, turbo intercooler **(\$1100)**, coolant tanks, valves.

Air Conditioning: Compressor **(\$1200)**, clutch assembly and pulley, condenser and evaporator **(\$1800)**, accumulator and dryer receiver, suction and discharge tubes and hoses, fans, controls and cables, heater core, expansion valve, blower motor, "O" rings, gaskets and seals for listed components, switches.

Clutch: Cables, linkages, cylinders, release bearing and fork.

Front Suspension: Upper and lower control arms, control arm shafts and bushings, locking hub assembly, shift vacuum motors, torsion bar, bushings and bearings, upper and lower ball joints, front wheel bearings, shock absorbers, front sway bar, brackets and bushings, steering knuckle, tie rod end and boots.

Rear Suspension: Lower Control Arms, stub axle spindles, shock absorbers, rear springs and bushings, air suspension components **(\$1200)**, axle track bar, height sensing valve, bushings and bearings, u-bolts, hangers and isolators, shackles and snubber, sway bar.

Body: Manual and remote outside mirrors, rear view inside mirror, seat mechanism, door glass tracks, slides and runs, catches, latches and hinges, lock cylinders, hood and lift-gate props, door glass regulators **(\$700)**, inside and outside door handles, engine mounts, supports and pulleys.

Fuel System: Fuel Pump **(\$900)**, fuel tank, throttle body **(\$1900)**, lines, hoses and tubes, fuel rails, regulator, reservoir, linkage, valves.
