Mother-Son Book Club @ The Hosp Library

Book: Restart by Gordon Korman. Families are responsible for borrowing/purchasing a copy of the book. Our library does not provide the book.

Who: Hosp 4th and 5th grade boys along with their mothers.

What: This is a great novel that mothers and sons can read together to build a reading community at Hosp in which we can share our thoughts and reactions to the book club selection.

When: Thursday, May 16, 2019 from 3:00 – 4:00 p.m.

Where: Hosp Library

How: It's easy! Borrow or purchase the Mother-Son Book Club book and **read together BEFORE Thursday, May 16th**. Then, come to our book club meeting to discuss the book with other mothers and sons. It is a great way to share our love of books together! Be sure you are both ready for fun activities, refreshments and book discussion.

Chase does not remember falling off the roof, in fact he does not remember anything about himself, and when he gets back to school he begins to learn who he was through the reactions of the other kids--trouble is, he really is not sure he likes the Chase that is being revealed, but can he take the opportunity amnesia has provided and restart his life?
