What's In a Floor Plan by FlōPlan

While many floor plan apps just show basic line drawings, FlōPlan takes it a step further. With unique scanning technology, floor plans with FlōPlan feature room labels, major appliances, and even dimensions - eliminating the need for manual measurements.

FlōPlan allows you to showcase detached garages, decks, patios, pools, and even waterfront docks, offering a comprehensive view of the property's layout.

In today's fast-paced real estate market, buyers crave comprehensive information to make confident decisions swiftly. With FlōPlan, you can deliver the most compelling presentation of a property, giving your clients the edge they need.
